**State of Rhode Island Monthly Hotel Report  
FY 2011 1.0 Percent Local Collections July 2010**

Beginning in June 2010, the Rhode Island Department of Revenue will issue a report on the collection and distribution of the 1.0 percent local Hotel Tax. The report is meant to be descriptive and does not purport to project or assess the collection of the 1.0 percent local Hotel Tax. The report will provide data, by municipality, on the month-to-month, the year-over-year, and the fiscal year-to-date collections. A discussion of the municipalities with the largest and smallest percentage changes in these three measures will be included in the body of the report.

### **Analysis of Fiscal Year-to-Date Collections through July**

In the first month of a fiscal year the analysis of fiscal year-to-date collections through the first month of the fiscal year is the same as the analysis of year-over-year collections by month. Thus, no additional analysis on the 1.0 percent local Hotel Tax is possible at this time.
