Office of Revenue Analysis

**State of Rhode Island Monthly State Hotel Tax Report
FY 2025 State 5% Hotel Tax Allocation October 2024**

The report provides information on the fiscal year-to-date over fiscal year-to-date allocation of the revenues collected for the state 5% hotel tax. The state 5% hotel tax is levied on the rental of rooms in traditional hotels/motels as well as the rental of rooms as transient lodging by room resellers and via hosting platforms. The report is meant to be descriptive and does not purport to project or assess the collection of the state 5% hotel tax.

State hotel tax collections are received by the Division of Taxation and the City of Newport in the month following the rental activity and distributed the subsequent month. For example, state hotel tax collected from a room rental in July is received in August and distributed in September. Changes in state law that affect the distribution of state hotel tax revenues typically specify a date after which the state hotel tax collections are allocated based on the newly mandated legislative formula. It should be noted that early payments, late payments, and adjustments may be included in this report.
