State of Rhode Island Monthly Local Hotel Tax Report
FY 2025 Local 1% Collections November 2024

The data contained in the *Local 1% Hotel Tax Report* is for the month in which the lodging rental activity occurred. The receipts generated from this activity were paid to the Division of Taxation or the City of Newport the month following the lodging rental activity and distributed to the municipalities the month after receipt by the Division of Taxation. The City of Newport retains the local 1% hotel tax it receives.

Information on both lodging rentals by hotels, room resellers and hosting platforms, and by realtors and homeowners is included in the report. Traditional hotels and room resellers and hosting platforms rent lodging by the room whereas realtors and homeowners rent lodging by the dwelling unit (i.e., an entire house, apartment, or condominium).

The report provides data by municipality on fiscal year-to-date-over-fiscal year-to-date collections. A color-coding scheme is used to indicate the municipalities with the largest percentage and nominal increases and decreases. The largest five percentage and nominal increases are shaded in green with the darkest green shade representing the largest value and the lightest green shade representing the fifth largest value. An analogous shading scheme is used for the largest five percentage and nominal decreases with red being used in place of green.
