State of Rhode Island Monthly Meal and Beverage Report
FY 2025 Local 1% Collections June 2025

The data contained in the *Local 1% Meal and Beverage Report* is for the month in which the meal and beverage sales activity occurred. The receipts generated from this activity were paid to the Division of Taxation the month following the sales activity and distributed to the municipalities the month after receipt by the Division of Taxation.

The report provides data by municipality on the year-over-year and fiscal year-to-date-over-fiscal year-to-date collections. A color-coding scheme is used to indicate the municipalities with the largest percentage and nominal increases and decreases. The largest five percentage and nominal increases are shaded in green with the darkest green shade representing the largest value and the lightest green shade representing the fifth largest value. An analogous shading scheme is used for the largest five percentage and nominal decreases with red being used in place of green.

The findings of the June 2025 Local 1% Meal and Beverage Tax Collections Report on a statewide basis are summarized in the table below:
