**State of Rhode Island Monthly State Hotel Tax Report
FY 2019 State 5.0 Percent Hotel Tax Allocation July 2018**

In June 2012, the Rhode Island Department of Revenue began issuing a report on the allocation of the state 5.0 percent hotel tax as required by Rhode Island General Laws §§ 42-63.1-3 and 42-63.1-12. The report is meant to be descriptive and does not purport to project or assess the collection of the state 5.0 percent hotel tax. The report provides information on the year-over-year and fiscal year-to-date over fiscal year-to-date allocation of the revenues collected for the state 5.0 percent hotel tax. The state 5.0 percent hotel tax is levied on the rental of rooms in traditional hotels/motels as well as the rental of rooms as transient lodging by room resellers and via hosting platforms.

State hotel tax collections are received by the Division of Taxation and the City of Newport in the month following the rental activity and distributed the subsequent month. For example, state hotel tax collected from a room rental in July is received in August and distributed in September. It should be noted that early payments, late payments, and adjustments may be included in this report.

How State Hotel Tax Revenues are Distributed

It is important to note that the distribution of the state hotel tax revenues was changed effective July 1, 2018.

- For returns and payments received after June 30, 2017 and prior to July 1, 2018, state hotel tax collections were distributed based on the allocation percentages provided in Rhode Island General Laws § 42-63.1-3(b).
- For returns and payments received after June 30, 2018, the distribution of the state hotel tax is made in accordance with the allocation percentages provided in Rhode Island General Laws § 42-63.1-3(f).

The state hotel tax allocation percentages for the periods covered by this report are as follows:
